An Indonesian shipping company serving domestic sea freight

PT Arung Lautan Jaya is a national shipping company operating under Indonesian flag, providing marine transportation and vessel chartering across the archipelago.

The company serves industrial shippers, commodity producers and project cargo owners, supported by an owned fleet, in-house crewing, and a permanent operations desk.

VISION AND MISSION

Vision

To be a trusted Indonesian shipping partner connecting the archipelago with safe, reliable and efficient sea transportation.

Mission

-
- 01 Deliver cargo on schedule with uncompromised safety standards.
 - 02 Operate and maintain a modern, well-classed fleet.
 - 03 Develop competent Indonesian seafarers and shore staff.
 - 04 Grow responsibly alongside customers and coastal communities.
-

Company development to date

2011 Company incorporated and licensed for domestic sea transportation.	2015 First owned vessel delivered; operations desk established in Jakarta.	2018 Fleet expansion and first long-term time charter contract.	2022 ISM and ISPS certification maintained across the full fleet.	2025 Coverage extended to eastern Indonesia corridors.
